Supernova Horizon

Your gateway to the cosmos

Services Team

Explore the cosmos

Supernova Horizon is a pioneering space tourism company dedicated to bringing the majesty of space travel to a wider audience. We offer transformative experiences that transcend the Earth's boundaries, igniting awe and wonder while pushing the boundaries of human exploration.

Our commitment

Supernova Horizon is committed to responsible and sustainable space tourism. We work tirelessly to minimize our environmental impact, adhere to the highest safety standards, and foster a culture of inclusivity and accessibility. We believe that space exploration should be a shared human experience, inspiring future generations to reach for the stars.

What we offer

Suborbital flights

Experience the thrill of weightlessness as witness the curvature of the Earth on brief, awe-inspiring flights reaching the edge of space. Orbital Adventures Embark on multi-day journeys orbiting Earth, providing stunning views of our planet and the vastness of the cosmos.

Lunar voyages

Be among the first to walk on the Moon, participating in historical missions and leaving your mark on another world.

Space station stays

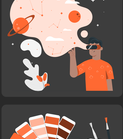
Experience the thrill of living and working in space aboard private space stations, conducting research or simply enjoying the unique perspective.

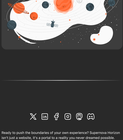
Custom experiences

Partner with Supernova Horizon to create tailor-made space travel experiences designed to fulfill your specific dreams and ambitions.

Connect with us

connect@supernova.space





Ready to push the boundaries of your own experience? Supernova Horizon isn't just a website, it's a portal to a reality you never dreamed possible. The extraordinary becomes routine, and awe-inspiring vistas are your daily view.

Welcome, the most breathtaking journey begins with a single step. Take yours today.
